

MABIOR DUOM

Experienced frontend engineer crafting engaging, responsive, and user-friendly web applications as well as mobile apps.

EXPERIENCE

Frontend Engineer • **Sarafa** May 2025 – Present

- Lead frontend engineer, overseeing the UI/UX integration on the application.
- Designed, developed the different Sarafa application user interface(s).
- Collaborated closely with backend developers, designers, and product managers to deliver seamless user experiences.
- Ensured cross-browser compatibility, accessibility, and adherence to web standards.
- Conducted code reviews and worked closely with the team members to align on goals and requirements.

Lead Frontend Engineer • **Sahil** Nov 2023 – May 2025

- Designed the Sahil logo, creating a unique and memorable visual identity for the brand.
- Developed comprehensive brand guidelines, including typography and color palettes, to ensure consistency across all applications.
- Created and built the Sahil landing page.
- Conducted code reviews and provided constructive feedback to team members.
- Resolved bugs and performance issues, enhancing user experience and overall application reliability.

Intern • **ACOP** May 2021 – Sept 2021

- Improved the UX and UI of the company website.
- SEO optimization for faster load time by minifying code, image optimization and compression among others SEO methods.

PROJECTS I'VE WORKED ON

Sarafa • Live Demo (sarafa.ss)

A financial platform offering stable coin powered multi-currency accounts, currency exchange, payment APIs and much more. Send, receive, and spend-all from a single unified stable coin powered multi-currency account.

Sahil • Live Demo (sahil.app)

A logistics platform for emerging markets, linking small businesses with suppliers to automate procurement and distribution. It establishes a centralized and well-managed supply chain solution tailored to the needs of small businesses.

CasaCrest • Live Demo (casa-crest.onrender.com)

A fully responsive full-stack Real-Estate App built using MERN. Browse through our extensive listings to find properties that suit your taste and budget. Find your ideal dream home with ease and confidence, all in one convenient place.
